

EOS O₃™

ENHANCED OZONE SYSTEM

STEP 1

The high-power O₃ generator creates **2X more ozone** than standard systems.

STEP 2

Water and O₃ are isolated and mixed vigorously for **maximum sanitization**.

STEP 3

Over 99% of excess O₃ gas is filtered and neutralized to **eliminate potential spa damage**.

REDUCE CHEMICAL SANITIZER, BREATHE EASY,
AND WORRY LESS WITH EOS™
